

Measurement (China) Limited moves to new office

Measurement (China) Limited, a leading designer of low cost consumer sensor based products is proud to announce the relocation of their China offices to a brand new suite at 21st Floor, Hua Feng International Commercial Building, No 4018, Bao An Road, Bao An District, Shen Zhen, China.

The move is to support both the established consumer product division and the fast growing industrial sensor business (Pressure Sensor Limited, Pressure-Sensor.com), and established consumer product division, and the new premises are ideally located for transport, amenities and access to the production facilities. The office suite has been custom- designed to house all departments in the most effective way, and boasts custom-built test facilities, q.a laboratory, showroom and offices.

Steve Petrucelli, Measurement (China) Limited Managing Director commented: “ I am pleased to announce the restructuring of the China operations to Bao An, as well as creating a stronger base of operations in the US in Newport News VA.”

About Measurement Limited:

Measurement Ltd designs and manufactures OEM and custom products. Capabilities span a variety of sectors, including automotive, construction, home products and custom OEM opportunities in force, light, sound, temperature, displacement, RF and USB sensor-based products by providing technology and service solutions that are based on a commitment to quality and innovation. <http://www.measurement-ltd.com>
